

Exhibit 8 – Coast Guard Ongoing Violations, Camp Perry

Camp Perry

[Article](#) [Discussion](#) [Edit this page](#) [History](#)

From Wikipedia, the free encyclopedia

Coordinates:  41°32′28″N, 83°01′18″W

Camp Perry is a [National](#)

[Guard](#) training facility located

on the shore of [Lake Erie](#) in

northern [Ohio](#) near [Port](#)

[Clinton](#). In addition to its

regular mission as a military

training base, Camp Perry also

boasts the largest outdoor rifle

range in the world. The firing is

done in the direction of the

open water of the lake, just

beyond an earthen berm and

the targets. Guard boats of the

[Ohio Naval Militia](#) warn

pleasure craft to avoid the "impact area" where fired bullets land. Violating this

warning may result in the confiscation of pleasure craft.

Camp Perry has been the host of the [NRA](#)-sponsored National Rifle Matches since

[1907](#). The **National Matches**, considered America's "World Series of the Shooting

Sports", attracts shooting sports competitors from all across the world to compete

School, which provides shooters with expert training and facilities for improving their shooting ability. Camp Perry is also home to the [Civilian Marksmanship Program](#)'s north office.

The original land for Camp Perry was purchased in 1906, and the reservation was named after Commodore [Oliver Hazard Perry](#), the American naval commander who won the [Battle of Put-in-Bay](#) during the [War of 1812](#). Rudimentary structures were constructed for use by competitors in the National Matches, and for transient personnel. During [World War I](#), Camp Perry served as a training center for Army officers and marksmanship instructors. About 1918 additional area immediately adjacent was used to construct the [Erie Army Depot](#), for artillery ordnance storage immediately adjacent to Camp Perry.

During the [Second World War](#), Camp Perry served as a [POW](#) camp for [German](#) and [Italian](#) prisoners. After the war, prisoner quarters were converted back to use by transient personnel who were at Perry for training. The camp was used extensively for several years after WWII, but use slowed somewhat during the 1960s. The Erie Army Depot closed in the mid-1960s and was eventually converted to industrial use. However, many of Camp Perry's original structures are still in use, in one form or another.

At present, Camp Perry is the home of the 213th Ordnance Company (Missile Support, Corps), the 372d Missile Maintenance Company (DS) Detachment 1, the 200th [RED HORSE](#) Civil Engineering Squadron ([Ohio Air National Guard](#)), [U.S. Coast Guard](#) Port Security Unit 309, and the [Ohio Naval Militia](#) (the naval arm of the State
